Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 10, 1995

SUBJECT: **SB 1414 - HB 1588**

This bill, if enacted, reduces the membership of the fiscal review committee from fifteen (15) members to thirteen (13) members. The number of House members on the fiscal review committee would change from nine (9) to seven (7). The chairs of the joint legislative committees shall serve two year terms to coincide with the elective term of the General Assembly. The bill requires the chairmanship to rotate from the House of Representatives to the Senate every two years unless the chair is reelected by a majority of the members of the board.

The fiscal impact from enactment of this bill is estimated to be a decrease in state expenditures of \$ 6,360

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
